

Privacy Policy

LEGISLATION

E. Studios Pty Ltd (“E. Studios”) respects the privacy needs of clients. As a small business, we choose to adhere to the **Privacy Act 1988 (Commonwealth of Australia)** which defines principles to protect the privacy of individuals.

You can find out more about the Act and its principles [here](#).

YOUR INFORMATION

E. Studios only collects information you provide to us. We collect the information when you contact us, including on email, phone, in person, social media, or forms on our website.

E. Studios does not provide this information to third parties without your express or implicit consent. We use this information only to communicate with you about our service(s) as is relevant to your correspondence.

We keep creative information and past client details for portfolio purposes, to develop our services, and to keep a protective record for our business. We securely destroy any other information once it's no longer needed in accordance with Australian record-keeping requirements.

For enquiries about your information collected by E. Studios, please email our team on hello@e-studios.com.au.

MARKETING

Your contact information may also be used for marketing or promotional purposes if provided, and only if you expressly opt in to such communication.

If you do not wish to receive E. Studios marketing or promotions, you can opt out and stop future delivery. Simply follow

instructions to ‘unsubscribe’ on the communication received, or notify our team via email to hello@e-studios.com.au.

COOKIES

E. Studios uses ‘cookies’ on our website properties. Cookies are small data files stored onto computers or devices by websites. Cookies record your preferences to provide you with a more personalised online experience.

Most browsers allow you to choose whether to accept cookies or not. If you do not wish to store cookies, please set your browser preferences to reject cookies before accessing our website. Bear in mind this may degrade your online experience.

ANALYTICS

Technical data on browsers, operating systems, referring websites, and page interactions is collected by the built-in analytics tool of our website host.

E. Studios uses this data to improve our services and our website experience. The data collected is always anonymous to protect visitor privacy.

EMBEDDED CONTENT

The E. Studios website includes content embedded from third party websites (e.g. YouTube or Vimeo). Embedded content behaves as if you had accessed it on the third party website.

Third party websites may collect your data, use cookies, or monitor your interactions with their embedded content. You will need to view the privacy policy of a third party website to confirm how they handle your information.
